Our insulated items feature warmth options for every cold-weather degree, from arctic insulation to lightweight flannel lining. Triple-needle stitched main seams, heavy-duty brass zippers, and time-tested cotton duck canvas shells provide the durability needed to get the job done. Our standard pleated elbows and action-back provide the extra movement needed to make work comfortable.

A man wearing a black hooded rain jacket is shown from the chest up, leaning over a workbench. He is looking down at his work, and his face is partially obscured by the hood. The jacket is wet with rain droplets, and the background is a blurred outdoor scene with rain falling. The text "COASTLINE COLLECTION" is overlaid in the top right corner.

COASTLINE COLLECTION
