ABOUT US

THE BERNE PROMISE

Berne Apparel has been in business for over 100 years, and since day one we have been committed to providing hard-working Americans with workwear that is made right, made to work, and made affordable.

SINCE 1915

Established in Berne, Indiana in 1915, Berne Apparel began by manufacturing overalls for local farmers. As the company grew, it expanded to include a wider range of workwear, cold-weather outerwear and basics for Men, Women, Youth, Hi Vis and FR. Today, Berne Apparel remains committed to its founding principles of quality, durability, and affordability, and continues to innovate and refine its product offerings to meet the changing needs of customers.

BERNE WARMTH RATINGS

Berne's Warmth Ratings make it easy for shoppers to choose the right gear for the conditions they face.

Our system has four levels:

WARM

Lighter warmth in cool weather.

WARMER

Reliable comfort in cold weather.

WARMEST

Heavy insulation in severe cold.

EXTREME WARMTH

Maximum protection in brutal winter conditions.

Ratings can be relative within garment categories, and because comfort depends on factors like wind, sun, humidity, and activity level, we don't tie our ratings to specific temperatures.

Instead, use them as a guide to help customers pick the gear that's right for them.

Above: NCH377BK, NB834BK: Rated for Extreme Warmth.

OUR MISSION

Crafting Value, Improving Lives

Here at Berne, we craft durable, affordable workwear that not only performs, but uplifts those who wear it.

WHAT DRIVES US

At Berne, we believe in the **power of hard work**. It's the **backbone of communities**, the foundation of progress, and the source of personal pride. Our mission is simple but profound: to craft **durable, affordable workwear** that not only performs, but uplifts those who wear it.

ACHIEVING OUR GOALS

How do we achieve this? We strive to **truly understand the unique needs** of the individuals who put in the sweat and effort every day. Then, we take that knowledge and translate it into workwear that is not only durable and high-quality but also affordable and made with **unwavering integrity and care**.

WHY IT MATTERS

When you choose Berne, you're not just buying workwear; you're joining a movement that **values the hard-working individual**. We're proud to be a part of your journey, and we're committed to **exceeding your expectations** every step of the way.

MEASUREMENT GUIDE

HOW TO MEASURE

Chest: Measure 1" below armpit with tape measure level and snug against your body.

Waist (Men): Measure where you wear your pants. (This is also the pant size that you buy.)

Waist (Women): Measure at natural waist, level with belly button. Hold tape measure level and snug against your body.

Hip: Measure at the fullest part of hips with tape measure level and snug against your body.

Inseam: Measure with tape measure held against crotch and extend straight down to the floor.
